<p>NARRATIVE: -----</p> <p>On December 26, 2014 I, Border Patrol Agent (b)(6) and (b)(7)(c) was conducting line watch duties in the Chula Vista Station Area of Responsibility along with Border Patrol Agent (b)(6) and (b)(7)(c). At approximately 7:45 pm, myself and Agent (b)(6) and (b)(7)(c) responded to a report from infrared scope operator, Border Patrol Agent (b)(6) and (b)(7)(c) of two subjects, suspected of entering the United States illegally, walking north along an area known as the "76 ridgeline". This area is a remote part of Otay Mountain. It has very rocky, loose terrain with dense brush in some areas as well boulders and drop offs. At this time of day it was dark with very little illumination from the moon. When initially making contact with the subjects they absconded by running west into an area known as "Crack Draw". Agent (b)(6) and (b)(7)(c) was able to direct Agent (b)(6) and (b)(7)(c) and me to one subject who was apprehended without incident.</p> <p>Agent (b)(6) and (b)(7)(c) was then able to locate the second individual, later identified as (b)(6) and (b)(7)(c) and directed us into his position. The individual attempted to abscond again by running away. Agent (b)(6) and (b)(7)(c) was able to continue to direct us into his location. The location where the second individual was hiding was in dense brush at the bottom of a small cliff face. This location was on a steep portion of a side hill with loose rocks and poor footing. This area is located approximately four miles east of the Otay Mesa, California Port of Entry and approximately one mile north of the United State/Mexico International Boundary. At the time of initial contact Agent (b)(6) and (b)(7)(c) was on the top of the cliff face without easy access to myself or the individual. Agent (b)(6) and (b)(7)(c) also had the first individual in custody and was tending to him.</p> <p>I made initial contact with (b)(6) and (b)(7)(c) who was hiding in a bush, and announced that I was a Border Patrol Agent. I gave him commands in English and Spanish to stand up and come to me. The subject would not respond to any of my commands so I reached down and took a hold of his jacket to try and get him to stand up and come out of the bush he was in. He stood up and started to run away, pulling me through the bush. I maintained a hold on his jacket and pulled him back. At that time he attempted to punch me in the head while coming towards me. I ducked the punch and punched him in his head and abdomen. I was able to take him to the ground and attempted to place him in handcuffs.</p> <p>I had the subject face down in the prone position and was attempting to place (b)(6) and (b)(7)(c) in handcuffs when he rolled over and tried to punch me again. I moved back from him to avoid the punch while maintaining a hold on his jacket. He got to his feet and he again attempted to punch me, hitting my chest and abdomen. I executed strikes on him in order to try and gain compliance. I was able to get him into a control lock and take him to the ground where we rolled around. As we were on the ground Agent (b)(6) and (b)(7)(c) arrived on scene and was able to help subdue (b)(6) and (b)(7)(c) and place him in handcuffs.</p> <p>After detaining (b)(6) and (b)(7)(c) I asked him of what country he was a national. He responded that he was from "Honduras". At this time I asked him if he had any documents allowing him to legally enter or be present in the United States, to which he answered "No". At approximately 8:15 PM, I Border Patrol Agent (b)(6) and (b)(7)(c) placed (b)(6) and (b)(7)(c) under arrest and made arrangements to have him transported to the Chula Vista Border Patrol Station for further processing.</p>
